Please can a group of you do some Indonesian cooking (something simple)? This will also be a chance to meet and talk to people from the local community. (Informal gathering). Please make a list of required ingredients and give to Gaynor on Thursday.</p>

nb. Throughout the week, it may be possible to pair small groups of 2-3 people with specialists who you have met in Orkney to date. Please discuss with Gaynor at dinner to see what can be arranged. eg. Janette Park, Mike Bell, Jo Porter. This may mean that you miss some of the above itinerary.

nb. Please also refer to the extra curricular schedule (previously issued) and feel free to arrange to attend anything that may be of interest. Please see Peter, Gaynor or Nia if you need assistance.

nb. Other people from the sector may join for dinner through the week.
